Re: Strasburg Landfill --
Newlin Township, Pennsylvania

Dear Ms. DeLong:

This will confirm our conversation last Thursday during which you graciously granted our client, Congoleum Corporation, an extension of time until November 1, 1988, within which to respond to EPA's Request for Information concerning the above-referenced site.

As I mentioned during our conversation, we may need additional time, however, I will call you during the week of October 24, 1988 and let you know how our investigation is progressing.

I appreciate your courtesy and assistance in this matter.

Very truly yours,

Bonnie Allyn Barnett
